

THINK CREATIVE DIGITAL

Brand Revitalization with High-End Printing

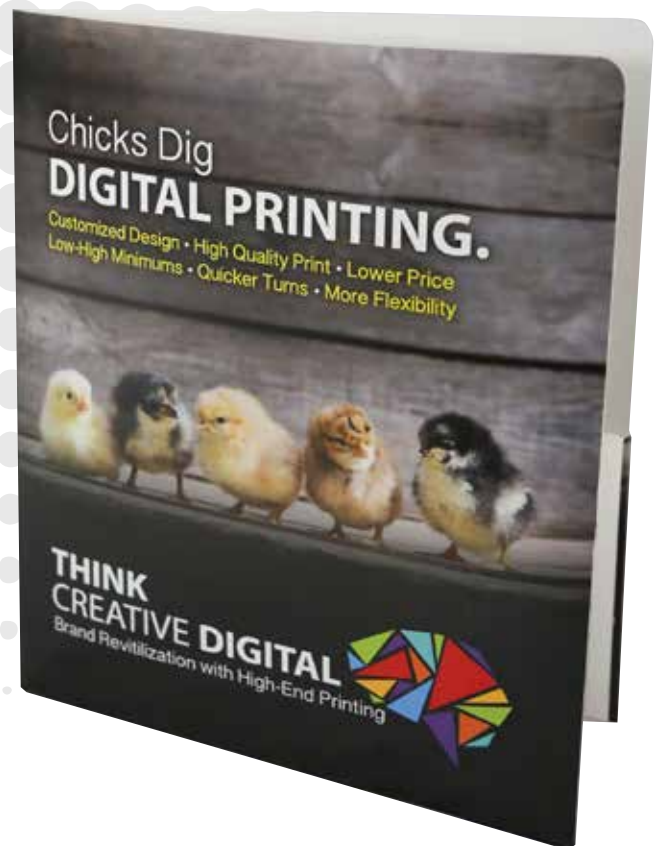

Think Digital

We imagined what could be done with typical poly products and developed a line of products that are brand enhancing. Utilizing cutting-edge digital print technology, we offer high-end 4CP printing on plastics.

Think Digital Includes:

- **Small quantities starting at 50 pieces to 2,000 pieces**
- Printing directly on 184 white polyethylene using 4 color process UV inks
- Large format digital stock sheet available in the following thicknesses: 0.015", 0.020", 0.030" and 0.050" with our exclusive PolyLux/Light Matte finish
- Quick delivery dates, many times in 8-12 working days upon receipt of purchase order and art work
- Available in 3 standard products, standard binder, tuck-tab tote box and standard two pocket folder (*custom product available upon request*)
